

Peoples Federal Savings Bank - New Online Banking Screens

This is a brief overview of some of the updates that you will see to your online banking screens.

On the Top right you will have four tabs to access your account information.

- Accounts
- Transfer Funds
- Payments
- Account Services

- Accounts Overview
- Statements
- Reports
- Alerts

Account Overview - Summary and Transaction Register for each of your accounts.
 Statements - See your recent Statements.
 Reports - Access and export information regarding your accounts.
 Alerts - Keeps you informed of important information.

On the left you will see options for each tab.

Features of the Accounts Overview Page

Accounts are grouped by type. You may assign "nicknames", for clarity. The last 4 digits of the account number are shown as well.

A balance of your pending items, as well as the number of pending items is shown.

Your balances for each account as well as total for each type are displayed.

Due Dates, Payment Amounts, Available Balances and Current Balances are shown for your Loan accounts.

Buttons for making payments and making Cash Advances are an easy way to manage your finances.

The "GRAND Total" shows the total of all deposits, minus the amount of all loans.
